Klor Kleen Chlorinating Sanitizer

1215 - 1x5 Gal.

Low Temp Dishmachine Sanitizer

Klor Kleen is a concentrated sanitizer designed for low temperature dishmachines that provides complete sanitation of glassware, silverware, dishware and pots and pans.

DIRECTIONS FOR USE:
This product is automatically dispensed into the dishmachine through a sanitizer injector. Your Advantage Chemical representative will establish the proper dilution rate depending on machine type and water conditions.

- EPA Registered
- For low temperature use
- 100 ppm sanitizing
