

Low Foam Bar

2414 - 4x1 Gal.

Low Foaming Manual Dish Detergent

Low Foam Bar is ideal for use in bars and restaurants as it quickly and thoroughly cleans glassware and utensils. The product is a low sudsing formulation which makes it perfect for glass brushes and bar settings where low foam is required.

DIRECTIONS FOR USE:

1. Rinse, scrape or soak all items before washing.
2. Wash items, using a brush, cloth or scrubber to loosen and remove soil.
3. Replace the detergent solution when the water appears dirty.
4. Rinse the washed items and sanitize .

- Low foam detergent for bar sink
- Quick, effective spot free results
- Safe and gentle on hands
