

ATD Power

1024 - 4x1 Gal.

All Temp Dishmachine Detergent

ATD Power is a liquid dishmachine detergent that is ideal for low to high dishmachine types and provides the best results in low to moderate hard water conditions. ATD Power works great for cleaning all types of dishware, flatware, glassware, pots and pans.

DIRECTIONS FOR USE:

This product is automatically dispensed into the dishmachine through a detergent injector. Your Advantage Chemical representative will establish the proper dilution rate depending on machine type and water conditions.

- Best for low to moderate water hardness
- Low to high temperature dishmachines
- Ultra-concentrate
