

Klor Kleen Chlorinating Sanitizer

1212 - 2x1 Gal.

Low Temp Dishmachine Sanitizer

Klor Kleen is a concentrated sanitizer designed for low temperature dishmachines that provides complete sanitation of glassware, silverware, dishware and pots and pans.

DIRECTIONS FOR USE:

This product is automatically dispensed into the dishmachine through a sanitizer injector. Your Advantage Chemical representative will establish the proper dilution rate depending on machine type and water conditions.
