

Fast Action Rinse

1424 - 4x1 Gal.

Hard Water Dishmachine Rinse Aid

Fast Action Rinse is a commercial-strength rinse aid specially formulated for high solids water conditions. Its highly concentrated formula goes to work quickly, eliminating stubborn minerals and leaving behind only spot free wares.

DIRECTIONS FOR USE:

This product is automatically dispensed into the dishmachine through a rinse injector. Your Advantage Chemical representative will establish the proper dilution rate depending on machine type and water conditions.

- For high & low temperature dishmachines
- Low to moderate water hardness
- Effective on TDS

SDS
