

Solid Force

1714 - 4x8 lbs.

All Temp Solid Dishmachine Detergent

Solid Force is a solid warewashing detergent safe for most types of wares, including china and porcelain. Solid Force breaks down and suspends soils for quick and easy elimination. Compatible with most dishmachines.

DIRECTIONS FOR USE:

1. Remove cap from disposable detergent capsule, and place into the dispenser.
2. Do not remove capsule until completely empty.
3. To remove empty capsule, lift it from the dispenser carefully and turn upright to avoid spills. Dispose of capsule immediately. Do not re-use empty capsule.

- Works in all temperatures
- Soft to moderately hard water
- Breaks down soils efficiently
