

Lemon Air

4012 - 2x1 Gal.

Water Soluble Deodorizer

Lemon Air is a water soluble deodorizer that attacks a variety of bacteria and other odor causing sources. Instead of masking odors, it eliminates and cleanses the particles from the surface with a unique detergent component.

DIRECTIONS FOR USE:

General use: apply by spraying product directly on or around odor.

Carpets: mix 1-2 ounces of product in 1 gallon of diluted shampoo. Controls musty odors.

Floors: use 1 ounce for every gallon of rinse water to provide a fresh, clean fragrance as the floor is rinsed.

Air deodorizer: dilute 2 ounces of this product in one gallon of water and spray. For challenging odor issues, you may want to increase the dilution

- Pleasant citrus scent
- Freshens fabrics
- Eliminates odors
