

Heavy Duty Oven & Grill Cleaner

6326 - 6x32 oz.

Heavy Duty Caustic Cleaner

Heavy Duty Oven & Grill Cleaner is a ready to use formula created to remove tough carbon and grease buildup on ovens and grills. Heavy Duty formula produces results quickly and efficiently, letting you get back to cooking faster.

DIRECTIONS FOR USE:

1. Apply Heavy Duty Oven & Grill to sides and top of oven first, then to remaining surfaces.
2. Allow cleaner to work 5 - 10 minutes on warm surfaces; 15 - 20 minutes on cold surfaces
3. Wipe with a damp cloth or sponge and rinse thoroughly with potable water. Stubborn deposits may require more than one application.
4. Clean and rinse exterior surfaces and base of oven
5. Heat oven to 200f for 10 minutes before using

- Emulsifies carbon
- Fast Acting
- Cost effective
