

Oxy Powder Detergent

7035 - 1x35 lbs.

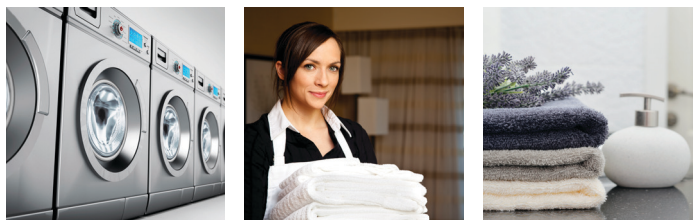

Oxy Boost Reclaim Powder

Oxy Powder Detergent is a highly effective detergent and destainer combination that is proven to lift tough stains and leave fabric bright and refreshed. Designed for top or front load machines, this product makes a great boost powder for even your most difficult reclaims.

DIRECTIONS FOR USE:

For top loading machines use 1/3 to 1/2 cup. For front loading use 1/4 to 1/3 cup. Note that detergent usage guidelines will vary depending upon load size, if clothes are heavily soiled and water conditions. For extremely hard water use slightly more than recommended. For extremely soft water use slightly less than recommended.

- Oxygen powered formula
- Contains optical brighteners
- Color Safe
