

Mop & Go

3142 - 2x1 Gal.

1-Step No-Rinse Floor Cleaner

Mop & Go is an enzyme based cleaner that emulsifies heavy grease buildup using a biodegradable solution that does not need to be rinsed away. Its unique blend of surfactants and enzyme producing bacteria penetrate into porous tile and grout, leaving a cleaner appearance over time.

DIRECTIONS FOR USE:

1. Wipe up spills and sweep floors.
2. Dispense solution from dispenser into mop bucket.
3. Apply solution liberally to floor using mop.
4. Brush floors as needed.
5. Allow floor to air dry.

- Enzyme based cleaner
- No rinse required
- Reduce grease buildup
